Please give a brief description of your family life and in what activities your spouse and children were involved (i.e. job, ministries, school, sports, hobbies, etc.)
I met the Lord in Baguio city & work of the Assemblies of God for about 18 years. I involved myself in the church planting ministry until God called me to my home town to serve His people. My wife too is a pastor. My children are college students in music ministry.

Pastor's personal testimony of salvation and call to the ministry. (attach additional pages if necessary)
when I still single I went to work in Baguio city. there is servant of the Lord who preached about the good news in the AG. convinced me so I decided to serve him until become Board of Directors and when I visited my home town assembly of God I have the burden to continue the work of the Lord there. to me for God & my family.

What leadership position or ministry involvement do you have in your district or section?
when I returned to my home town my relations are assem of God but no pastor so we began fellowshiping and he has had revival in they increase their relation in the m

Reasons why applying for Bayanihan Project
I am involved as pastor in the District. always preach during meetings and prayer support, so with grant my wife we cant afford to have church building and according to my experience it is the easiest way to go our church project.

By my signature on this form, I intend to apply for Bayanihan Project & agree that this information may be used by the Bayanihan Committee in any way it seems fit to help raise funds for the Bayanihan Program.
